

What if you could make  
all the time you need?

---

## GETTING THE GANG TOGETHER

Who is someone that invested in you?

---

Share with the group about someone who invested in you in some way. Share specifics of what they did and how it made a change in your life. Now write down some of the ways that people invested in your group that you could use with someone else.

---

## TIMING YOURSELF

Who is someone that you'd like to invest in this week? What are some ways that you can make them feel valued by God? When do you plan on doing it?

---

What are some ways your group can work together to invest in others? Not everyone in your group may have someone to invest in at this point in time, so they should invest in someone else's person! Consider connect with their person after church together, or throwing a bbq (or your group holiday) and inviting them. Write down how you can help your group invest in others.

# THIS WEEK'S GROUP METHOD BIBLE STUDY

---

## GATHER

Are y'all together? Great! We're off to the races. If not? This whole GROUP Method thing isn't going to work that well.

## READ

Have someone read Philippians chapters 2 - 3 out loud.

## OBSERVE

During and after the reading, write down your thoughts and observations in your GROUP Method notebook. Notice how Paul says to put on the mind of Christ and then gives 4 examples of people who did: Jesus, Timothy, Epaphroditus, and Paul, himself. After you write down what you noticed, were confused about or had follow up questions, also write down what you think you should do to apply it to your life.

---

---

---

## UNDERSTAND

Everyone go around and share your observations. Notice what stood out to y'all as a group, what everyone skimmed over, what common questions everyone had, or applications. Share anything that God might have put on your heart for someone else in the group. Not to pick on them, but to build them up, This is going to come up later in the series, but notice that not only do you personally have time to invest in someone, but you as a group can invest your time. How can you, as a group, invest in someone, or your church, or neighborhood, or family?

---

---

---

---

## PRAYER

Invite God into your group, invite God to speak to you through the passage AND through those in your group, and pray that God would unite your group with him and each other.
