

What if you could make  
all the time you need?

## GETTING THE GROUP TOGETHER

Who is the most spiritual person you know? Not superficially but in a genuinely loving, humble and righteous way? Someone who “walks with God.”

---

Share with the group a way that they have impacted your prayer life, Bible reading, or worship. If your group is newer to this, share a Bible passage or attribute of God that has shaped you with the rest of the group and commit to reading or meditating on that this week.

---

---

## TIMING YOURSELF

Most of us already view attending church as a community experience, but what are some ways that your group can draw near to God collectively this week?

---

---

This week you are being assigned a group project. Select an attribute of God and put together a group presentation. Assign different aspects of your project to each person and next week each person or couple needs to present to the rest of the group.

Bonus: if you are happy with your report, please send it to [makingtime@lumivoz.com](mailto:makingtime@lumivoz.com), we would LOVE to see it and share it with others!

# THIS WEEK'S GROUP METHOD BIBLE STUDY

---

## GATHER

Are y'all together? Great! Technically the P for Prayer isn't until the end of GROUP but go ahead and start with prayer as well!

## READ

Have someone read Genesis chapters 1 - 2 out loud.

## OBSERVE

During and after the reading, write down your thoughts and observations in your GROUP Method notebook or here. This is a very familiar passage but there are 2 things that we tend to skim over: The 1st is that God doesn't say that Adam is created in God's image, the Bible says that "man" or "mankind" was created in God's image. The 2nd thing to notice is that the only thing that "isn't good" is that Adam is alone. Everything else that God created was good.

---

---

---

## UNDERSTAND

Everyone go around and share your observations. Notice what stood out to y'all as a group, what everyone skimmed over, what common questions everyone had, or applications. Share anything that God might have put on your heart for someone else in the group. What does it mean for "mankind" to be in the image of God vs just man? Does that mean we are *most* in the image of God corporately?

Why wasn't it good for Adam to be alone if he had everything he needed?

## PRAYER

Invite God into your group, invite God to speak to you through the passage AND through those in your group, and pray that God would unite your group with him and each other.
